

# YOUR TURNKEY SOLUTION

## for Functional Powdered Beverages

### Who We Are

Pharmachem Innovations is a trusted leader in turnkey contract manufacturing, specializing in the formulation, development, production, and packaging of high-quality nutraceutical, hydration, and wellness products. With over 40+ years of experience, we deliver end-to-end solutions to help brands grow and thrive in competitive markets.

### Why Choose Pharmachem?

#### Expertise

Decades of innovation in the nutraceutical industry.

#### Flexibility

Solutions for startups to established brands.

#### Regulatory Compliance

Ensuring every product meets the highest standards.

#### Customer Success

Proven track record of helping brands scale efficiently.

### Our Process: A Seamless Experience

- 1 Concept Consultation** - Collaborate with our team to define your product goals.
- 2 Custom Development** - Create formulations that align with your vision and address technical issues, such as powder segregation.
- 3 Production & Packaging** - Scale with precision, offering full turn key options, from start to finish, including stick packing options.
- 4 Distribution** - We ensure your product reaches the market on time.

## What We Do: Comprehensive Services

### Custom Formulation

Our R&D experts develop tailored blends, including powdered electrolytes, protein, vitamins, nootropics, sleep support, immune support, and sports nutrition spanning from high performance to recovery.

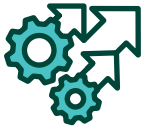

### Flavor Optimization

Creating taste profiles that resonate with consumers and mask off-flavors from functional ingredients.

### Sourcing

Access to the finest ingredients with a commitment to quality and sustainability. Our distinctive ingredients are clinically researched to ensure optimal effectiveness.

### Manufacturing Excellence

State of the art facilities ensure scalability, precision, and safety.

### Packaging Solutions

From single-serve packets to canisters, we have packaging that suits your brand and functionality needs.

### Logistics & Distribution

Seamless delivery to your distribution centers.
